

SUMMER YOUTH VOLUNTEERS NEEDED

Each Summer, UNC Health Rockingham hosts a Summer Youth Volunteer Program for students interested in healthcare careers. This program is designed to give youth an insight into the variety of healthcare careers available. Youth assist in areas throughout the hospital and Nursing Center for six weeks.

Youth Requirements:

- Youth must have completed 8th grade and be 14 years of age by the end of the 2026 program
- Youth must maintain "C" average or better and have excellent school attendance and conduct
- Program starts approximately 1 week after school ends for the year and ends 1 week before school starts
- Youth must work 6 hours per week and complete required number of summer hours to receive credit.
- Youth will work in several areas of the hospital to learn about healthcare careers.

Applications are available through your guidance counselors at middle and high schools or online using the QR Code below.
